

## Pauline's Notes

Well, the three-day 3rd Annual Pauline & Outlaws Picnic was a great success! I've had rave reviews not just from the musicians but the sponsors and fans as well. I'd like to thank the House Pasture Cattle Company for allowing us to have it be held at such a wonderful venue. This event was not just for some good times and good music but for a good cause as well. The Freddy Powers Parkinson's Foundation is something that is very important to me and I hold close to my heart. With this event I hope to advance the awareness of Parkinson's Disease and just how many people it affects.

I have another opportunity for you to spread the awareness of Parkinson's and have a great time. The 2008 Caribbean Cruise for a Cure is coming up February 10th-17th. Call Tina Cantu at 512-338-2828 or 800-444-5634 or go to [freddypowers.org](http://freddypowers.org)

Tommy Alverson's Family Gathering is coming up real soon! This is such a fun festival! I highly

recommend camping out for the weekend so you don't miss anything! [tommyalverson.com](http://tommyalverson.com)

I spoke with Rip Lorick who is having his CD release party for *Hold on Texas* on September 1st at everyone's favorite dancehall, Luckenbach! I hope to make it out there myself ... check out [riplorick.com](http://riplorick.com) for more info.

Congrats to Sunny Sweeney who was nominated for new and emerging artist at the Americana Music Awards!

Bill Rice is also releasing a CD in September. The first single is "Seminole Sunday." Love this guy's music! Check out [billriceband.com](http://billriceband.com)

I asked Todd Fritsch if he had any news and he told me he just saved a bunch of money on his car insurance by switching to Geico!

On an ending note watch my website change coming soon. I also have more great news ... the band and I are going to play a Willie Nelson's Farm Aid 2007 in New York City! Some of the acts are Neil Young, John Cougar Mellencamp, Dave Matthews and I'm so excited about this one, the

Allman Brothers! I'll keep you posted via my website! [paulinereese.com](http://paulinereese.com)

### KEVIN FOWLER "BRINGS IT ON" WITH A NEW CD AND SHOW

Kevin Fowler releases his new disc, *Bring It On*, Sept. 25th. If you have not seen his show recently it is all new. "I have a new stage show and it fits the new music and we are pumped," says Fowler. Pumped is putting it mildly for a Fowler show and this new stage show and the new songs are just another confirmation that our "Home Boy" is no flash in the chamber pan. Get more on his newest record and where you can catch him on his Web site at [kevinfowler.com](http://kevinfowler.com).

### DOUG MORELAND'S CATTLEACS CALFRY

Doug Moreland's 5th Annual Cattlelacs Calfry will be Sept. 22nd. For a mere \$10 ticket, fans will hold a VIP pass to the grounds from 5 p.m. until midnight where they can ingest, digest and invest in some of the best music, food, tournaments and authentic artwork around.

This marks the very first year for the Cattlelacs Calfry Cooking Contest. Anyone who thinks they've got the best balls in town is invited to put it to the test-ies in front of a batch of celebrity judges. Some of the prizes include personal and freshly carved

wood trophies by the chainsaw wood carving extraordinaire himself, Doug Moreland.

This year's event will also feature bull riding from 4-5 p.m. with special appearance by Doug Moreland acting as clown, the horseshoe/washer tournaments, and live music from the Doug Moreland Experience, Ryan Bingham, Cody Shaw and other special guest appearances. Check out [dougmorland.com](http://dougmorland.com) for more.

### RECKLESS KELLY'S WACKY VIDEOS

If you have not checked on the Reckless Kelly site to see what is up with them, you need to. You can follow them as they travel — but the reason I tell you to go to their Web site today is for the videos. Not the music ones, but the crazy productions they post there. The Tux & Chauncey, Beside The Music, is hilarious. There is language that might be offensive to some, but that aside, it is brilliant. These guys are whacked ...
